

Dominic Tatone

Roseburg, OR

OBJECTIVE

I'm searching for a College where I can contribute on the field and complete my business degree, "onboarding" as a Junior in the fall 2024.

PROFILE

I'm an 19-year-old Freshman at Umpqua Community College. I'm a Left-Handed Pitcher. 5'8" #165 7.15 Sec 60-yard time.

EDUCATION

I graduated Roseburg High School spring 2022 with an accumulative GPA of approximately 3.75 and I'm now at Umpqua Community College for 2022/2023 and intend to stay for two years to develop my pitching as fully as possible before moving on.

PITCHING

I'm currently have three pitches: Curveball, Change-Up, Fastball, .

- Curveball = Well developed and effective. I can throw this pitch convincingly for a strike or for a swing-and-miss.
- Change-Up = Developing. I've been using this pitch for about 18 months and it is effective but I am currently being coached on how to improve this pitch.
- Fast Ball = Command is good, but I understand that the current velocity of approximately 80MPH is at the lower end of expectations. Increased velocity is currently my highest priority and I'm working with a local fitness trainer and also a pitching coach.

I am excited about the opportunity to improve my existing pitches and to add new pitches to my repertoire.

INTANGIBLES

- I am PASSIONATE about Baseball and embrace the hard work it takes to improve.
- I have excellent "Game-Command" while pitching.
- I've been "coached right" in regards to baseball habits (hustle, timelines, etc)
- I am a good teammate & will embrace any role to help my team win.
